

Website Packages

Professional websites that elevate your business—and empower the next generation.

Each package includes:

- Custom design tailored to your brand
- Domain registration and full ownership transfer
- Subscription setup (hosting + platform)
- Mobile optimization and responsive layout
- 51% of proceeds donated to FIST, our nonprofit teaching underserved students technology

 **Note:** We build the website, then transfer it to an account that **you own**. This ensures long-term control and transparency. The platform subscription (~\$50) and domain are included in the price below.
