Company Overview

Medinnova Trading PLC is a licensed Ethiopian importer and distributor of medical devices and human medicines, committed to delivering innovation and improving healthcare access across the country. Established in 2025, Medinnova bridges the gap between innovative international manufacturers and local healthcare providers.

With a modern infrastructure, regulated warehouse, a growing team of dedicated professionals, and strategic partnerships, Medinnova serves a diverse clientele ranging from public hospitals and NGOs to private clinics, pharmacies, and wholesalers.

- **Headquarter** : Addis Ababa, Ethiopia
- **Licenses** : EFDA-licensed for import & wholesale of medical devices and pharmaceuticals
- **Infrastructure** : Modern office, regulated warehouse, and other vital infrastructure
- **Clients** : Government hospitals, private clinics, NGOs, pharmacies, and wholesalers
- **Suppliers** : Global certified manufacturers, exporters, and regional distributors
