THE INNOVATIVE LOW-MAINTENANCE
FENCE SOLUTION

WHY TANGENT FENCE MATERIALS?

DURABLE INVESTMENT

Solid, heavy-duty post and rails. No rotting, chipping or peeling with materials that withstand all-weather.

SUSTAINABLY MADE

Recycled ♻️ HDPE creates an unrivaled performance fencing product.

SAFE FOR ANIMALS

Our products contain no preservatives and do not splinter, ensuring the safety of your horses.

EASE OF CARE

Our products are low maintenance and easy to clean. If needed, simply power wash.

LASTING BEAUTY

Colors and textures remain flawless with no painting, staining or waterproofing required.

MADE IN THE USA

Our fencing materials are proudly made in the USA.

Rails Span 8'

THE TANGENT FENCE ADVANTAGE

Ultra-Strong, Durable Fencing

Tangent materials are the ultra low-maintenance and durable fence solution. Traditional materials deteriorate rapidly with time, especially in harsh environments and where posts are driven into damp ground. They require ongoing and costly maintenance, repair and replacement. With Tangent, no re-painting is required. Our fence materials are environmentally friendly and mimic the look and feel of traditional wood fence. Choose Tangent fence materials for a lower life cycle cost. Backed by our 50-year limited warranty.

TANGENT OFFERS:

- Split Rail Horse Fencing
- Ranch Rail Horse Fencing
- Round Posts for Wire and Mesh
- Custom Fencing

EQUINE

Corral and protect your animals with Tangent Sustainable Lumber

Ensure the safety and security of your equine companions with Tangent's horse fencing. Unlike other plastic fencing solutions, Tangent's horse fencing does not splinter and contains no preservatives, making it a safe option for animals. Impervious to moisture and damage from insects and fungi, our fencing is extremely durable in any environment. Tangent's fencing is easy to clean and never requires repainting or staining. Trust in the quality and reliability of our USA-made fencing to protect your animals year-round.
