COMPANY PROFILE

Innovative Medical Supplies for Better Healthcare

AIJMED is a trusted provider of high-quality medical consumables, laboratory supplies, and customized surgical packs.

We serve hospitals, clinics, and research institutions with reliable products that meet international standards for over 20 years. With a wide product portfolio covering Med Products, Lab Products, and Surgical Packs, we are committed to supporting healthcare professionals with safe, efficient, and cost-effective solutions. Our OEM/ODM services allow flexible customization to meet local protocols and global market needs.

We deeply understand the critical importance of quality and safety in the healthcare industry. That's why all our products are certified under internationally recognized standards, including ISO, CE, MDR, and FDA requirements.

Products and Innovation

Explore our diverse product portfolio and dynamic R&D capabilities. Through close collaboration with leading universities worldwide and partnerships with hundreds of manufacturing plants, we foster cutting-edge product innovation and development. We provide tailored design solutions and reliable mass production to address the unique requirements of our clients. Our strong network of academic and industrial resources ensures that we remain at the forefront of technology and quality.

Manufacturing and Capacity

We work with a network of hundreds of factories with class A clean room and 100,000 level purification workshop across China, with key manufacturing sites located in Jiangsu, Zhejiang, and Guangdong provinces. This extensive collaboration allows us to leverage strong regional supply chains and ensure flexible, scalable production. Our robust manufacturing capabilities enable us to deliver high-quality, cost-effective solutions with reliable speed and efficiency.

The background is a solid blue color with a dark blue diagonal stripe running from the top right corner towards the bottom. At the bottom of the image, there is a large, dark blue, dome-shaped structure with a textured, scale-like surface, resembling a geodesic dome or a large water tank. The text "AIJMED" is written in a large, white, sans-serif font, positioned in the upper left quadrant of the image.
