

# Udaan Learning Centre

run under the aegis of Kumud Bhushan Educational Society

## To whomsoever it may concern

Dear Team Soulify

This is to certify that Siddharth and Smriti(Soulify) volunteered and then worked (in 2019) for some time at the Udaan learning centre to facilitate the workshops with urban children and village children. Thank you for your outstanding contribution in facilitating.

In this workshop period you do many meaningful, relevant and interesting activities with children, and the soulify team helps the ULC team to make workshop plans for village children to build their confidence. Also you share your experience through Story, Art and Theatre. Your story is more motivational for the children.

We surely recommend Siddharth and Smriti, Soulify as a wonderful resource to all my colleagues and friends. Looking forward to more collaborative work in the future.

We wish them all the very best.

Thanking you  
Udaan Learning Centre Team

Deepa Bhushan
