Who we are:

T and S Delivery LLC is a premier transportation and logistics company specializing in Less-Than-Truckload (LTL) services, along with local, state, and federal deliveries. Based in Banks, Arkansas, we proudly serve as a certified Minority Business Enterprise, delivering tailored logistics solutions to meet the unique needs of our diverse clientele.

Our team is extensively trained and certified in specialized courier services, making us a trusted partner for sensitive and critical deliveries. We are certified in handling and transporting chemotherapy medicines and other specialized pharmaceuticals, ensuring compliance with the highest safety standards. Our expertise extends to STAT deliveries, where urgency and precision are paramount.

Additionally, we are certified in bloodborne pathogen spill response and cleanup, reinforcing our ability to manage medical and biohazard materials safely and effectively. With Transportation Worker Identification Credential (TWIC) certification, we have the clearance to access high-security locations, adding another layer of value to our services.

Differentiator:

At T and S Delivery, we specialize in reliable, HIPAA-compliant, and temperature-controlled non-emergency medical courier services. Our certified team ensures the safe and timely transport of sensitive materials, setting us apart with unmatched professionalism and a commitment to excellence in every delivery.
