

Assistance League hosts Reflection and Renewal luncheon

Assistance League of Greater Cincinnati hosted its Reflection and Renewal Celebration luncheon at deSha's in Montgomery. Chapter President Audrey Stehle received the Anne Banning Leadership Award for dedication and leadership. Vice President of Hospital Services Leann Kuchenbuch received the Ada Edwards Laughlin Award for dedicated service above and beyond expectations.

The luncheon included a presentation by Aspire! Girls Group founder TJ Smith, resource coordinator for Community Learning Center Institute at Mt. Airy School. The league added basic hygiene items to their annual contribution of school uniforms in the fall. Around 250 students were aided by the donations. Smith started Aspire! to build self-esteem and teach social skills. More than 100 girls have been part of her program.
