Winter Shelter & Emergency Weather Shelter

We had a very successful Winter Shelter program! We would like to offer very sincere thanks to every volunteer, host organization, and community partner that helped our unhoused friends in their warm facilities for the food and shelter.

After the end of winter program on March 15th, we were unexpectedly hit with below freezing temperatures but our volunteers were able to extend the shelter program by housing our friends inside the Madison Home building temporarily. With support from the City of Richmond, Madison Co Emergency Management, and Richmond Fire Dept, we were able to get the building in good standing to provide the Emergency Weather Shelter. We will be continuing to work towards making preparations to housing our friends this coming Winter at the Madison Home.

Lunch Program & Daily Programs

MH volunteers distributes 45±10 healthy meals (lunches plus snacks) to those who are homeless or have no means to buy or prepare food.

Food is served every Monday, Tuesday, Wednesday, Friday and Saturday at 105, 5th Street from 11:30 am-12:30 pm. In summer months, local community also supplies fruit and produce from the their vegetable gardens.

Food is typically served in the back parking lot in fair weather but inside the building during inclement weather. Multiple businesses, individuals, churches and faith-based organizations participate in this program on the regular basis.

Volunteers distribute clothing and hygiene items during that time and also sign up for additional services through our community partners (please see below).

Homeless friends can choose to receive their postal mail, sign up for new cell phones, take showers, have haircuts and do their laundry.

The best part of the program is fellowship between the homeless and the community volunteers.

Social and Support Services

Since April of 2023, all services have been in place to assist our unhoused friends and others in need of the community resources. These services include:

Case Management, Peer Support, Counseling, Assistance obtaining Birth Certificates, Social Security Cards, Medicaid benefits, SNAP benefits, Disability, Housing, medical treatment, Recovery, and onsite Psychiatric services.

In the last quarter, 30 individuals got their personal identification to qualify for some of these services and these individuals use the postal address of Madison Home. Several Individuals are now receiving disability income and 7 families/individuals have moved into permanent housing.

Contributions from our community

We have received two vans that now help us to aid in transportation of our friends. One was received from Kentucky River Foothills and another from First Presbyterian Church of Richmond.

We received a donation of 10 twin beds from the Richmond Salvation Army

Contributions from our neighbors

The Women's Ministry of Church on the Rock, Berea "This is US" provided a donation in the amount of \$2,000.

UKFCU employees contributed \$1,814 to Madison Home through their annual Thanksgiving Donation Drive.

Thank you very much our blessed volunteers

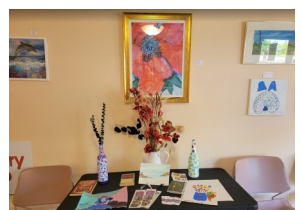

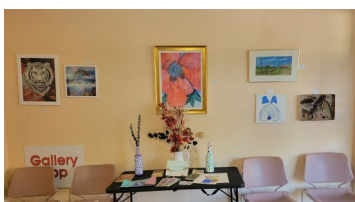

In April, we held a banquet, hosted by First United Methodist Church to thank all of our wonderful volunteers for their service and commitment to Madison Home throughout the Winter.

Blessed Team of Volunteers

Art by volunteers, who manage Gallery Hop program and our homeless friends
