SUMMARY

I am a skilled web designer and developer with extensive hands-on industry experience. I specialize in crafting visually appealing and user-friendly websites. I am proficient in HTML, CSS, JavaScript, PHP, and various CMS platforms like WordPress and Drupal. I have a proven track record of designing and developing over 50 websites, including successful e-commerce platforms. I am excited to contribute to your projects and help them achieve their goals.

EDUCATION

- **Bachelor of Technology** (In Progress)
