

The Survivor (by Amanda Blackwood)

6 Jul 2023

What an incredible story this corageous man uncovered about his family and their individual stories. If you haven't got a copy of his book yet, I would highly encourage anyone and everyone to get a copy - ESPECIALLY if you're going to have him on your show. I promise you won't regret it.

What a wonderful guest with a powerful story about a terrible time in history and how it still impacts future generations. Everyone needs to hear his story, which he shares with honesty, grace, and compassion for the human spirit. I highly recommend him!
