

MINUTES OF THE NORTHWEST INDIANA HOSTA SOCIETY MEETING  
November 13, 2022

The meeting was held at the Crown Point Library, 122 N Main Street, gathering at 1:00, with 20 members present. President Lyle Patchett opened by asking the group to partake of the delicious pot luck dinner. Chicken from Strack's, and everyone else brought side dishes. It's the most tasty meeting we have!

President Lyle asked Secretary Ginny to read the minutes from our September meeting, and then asked Treasurer Tony Costello for his report. A quick run-down: Balance on 6/30/22 was \$9188.83. There was no income, and expenses were: AHS \$100 for 1, Sept eating supplies \$24.48, Sept speaker supplies \$132.16 and Michigan tailgate \$100 for 6 \$600 for a total of \$856.64 leaving a balance of \$8332.19. A motion was made and seconded to accept his report.

The first order of business was about the upcoming January 21<sup>st</sup> Garden Show at Porter County Fairgrounds. Lyle asked for volunteers, and no one stepped up, so our club will probably not have a booth there this time. Mary Simon needs to know whether anyone is willing to man the booth, as she is arranging the line-up.

Cindi Brito is working on the list of actual members. She needs to know how many there are.

Dates for our 2023 meetings are: February 12, April 16, September 10 and November 12. Mark your calendars. (April's is one week later due to the Easter Sunday date).

Hosta College is March 17 & 18 on site. ([hostacollege.org](http://hostacollege.org)) If you are attending, book your room now to get the special rate. Mary Bardens is in charge of the auction at Piqua Ohio.

The annual Plant Sale/Auction will be June 4<sup>th</sup> in the outside shelter. Ike will book for us.

Meeting adjourned at 3 with the club raffle following.

Merry Christmas and Happy New Year to you all!

Next meeting will be at Crown Point Library, February 12<sup>th</sup>.

Ginny Feyes, Secretary
