

# M F TRADING LLC

## ABOUT US

MF Trading LLC, is a leading provider of high-quality electrical solutions, specializing in a comprehensive range of products tailored to meet the diverse needs of residential, commercial, and industrial clients. our commitment to excellence and innovation drives us to deliver the best in cables, lighting solutions, switches and accessories, and more.

## Product Range:

We offer an extensive selection of electrical fittings, including:

- **Cables:** High-performance cables designed for durability and efficiency.
- **Lighting Solutions:** Innovative lighting options that enhance aesthetics and functionality.
- **Switches and Accessories:** A wide variety of switches to suit every application.
- **Cable Management Systems:** Efficient solutions to organize and protect cables.
- **Cable Terminations:** Reliable and secure terminations for safe connections.
- **Switchgear Products:** Advanced switchgear for optimal power management.
- **PVC Conduits and Trunkings:** Durable and flexible conduits for effective cable protection.
- **Earthing & Lightning Protection:** Essential systems to safeguard structures from electrical surges.
- **Fans:** Energy-efficient fans for improved airflow and comfort.
- **Floor Boxes and Sockets:** Convenient access points for power and data.
- **Industrial Plugs and Sockets:** Robust connectors designed for industrial environments.

## SWITCH GEAR PRODUCTS

- Mcb, Isolators, Rccb, Contactors
- Moulded Case Circuit Breakers (Mccb)
- Timers And Under Voltage Release (Uvr) Relays
- Gi Enclosures And Row Distribution Boards (Dbs)
- Db And Smdb Assembling
- Indicator Lamps And Change Over Switches

## PVC CONDUITS, PVC TRUNINGS AND ACCESSORIES

- Pvc Rigid Conduits & Flexible Conduits
- Pvc Fittings And Junction Boxes
- Pvc Boxes And Adaptable Boxes
- Pvc Trunkings - Adhesive And Non-adhesive
- Gi Bending Springs
- Pvc Glue

## LIGHTING SOLUTIONS

- Led 60x60 Panel Lights
- Downlights - Slim Type And Cob Type
- Led Spot Lights And Bulbs
- Led Flood Lights
- Led High Bay Lights
- Led Strip Lights And Drivers
- Outdoor Lighting - Garden Lights And Swimming Pool Lights
- Track Lights
- Led Weatherproof Fittings

## SWITCHES AND ACCESSORIES

- Switches and Sockets
- Weatherproof Switches and Sockets
- Cable Extensions
- Top Plugs and Multi Plugs

## CABLES

We Specialize In A Comprehensive Range Of High-quality Electrical Cables Tailored To Meet Diverse Industrial And Commercial Needs

- Single Core And Armoured Cables
- Rubber Cables
- Control Cables
- Panel Wires
- Pvc Flexible Cables
- Fire Rated And Emergency Cables
- Cat6 Cables

## CABLE MANAGEMENT SYSTEMS

We Understand The Critical Role That Effective Cable Management Plays In Ensuring Safety, Organization And Efficiency In Any Electrical Installation

- GI Conduits and Accessories
- GI/PVC Coated flexible Conduits
- GI and Hot Dip Galvanized Cable Trays and Accessories
- GI and HDG Slotted Channels
- Supports and Post Bases
- Related Hardware Items

## CABLE TERMINATIONS

We Provide A Comprehensive Selection Of Cable Termination Solutions Designed To Ensure Reliable Connections And Optimal Performance In Various Applications.

- Brass Cable Glands
- Tinned Copper Lugs And Ferrules
- Insulated Lugs
- Pvc Glands
- Waterproof Ip68 Connectors
- Cable Joint Kits
- Cable Cleats
- Heat Shrink Sleeves

## WIRE MESH CABLE TRAY SYSTEMS

The mesh cable tray is available in three different surface versions. It is hot-dip galvanised and can be used in the industrial sector and in machine and system construction. In the stainless steel version, it is particularly suited to the foodstuffs and chemicals industries or, with electrogalvanisation, it is suitable for interior areas without special requirements.

METAL CABLE TRUNKING SYSTEMS

Cable trunking, specifically the Galvanized 50mm x 50mm variant, stands as a crucial infrastructure component in modern electrical systems, ensuring efficient cable management and safety in various settings. Crafted with precision, this galvanized cable trunking offers a durable and reliable solution for concealing and protecting electrical wires and cables in commercial, industrial, and residential environments.

## CABLE LADDER MANAGMENT SYSTEM

Cable ladder system allows safe transport of wires across open spans and gives protection against the overheating and also used to manage a large radius of electrical cables used for power distribution. Cable ladder has two side rails connected by cross members or rungs. ICMS has several types of cable ladder with different rungs such as Tubular, C-profile, Rivet type. The rungs provide convenient anchors for tying down the cables.

## STRUT CHANNEL & ACCESSORIES

Strut channel is a very versatile component of a support system designed for application in construction, electrical and HVAC industries. Strut channel is frequently used to support, suspend and mount metal structures, it's a crucial part of metal framing system that doesn't need welding, drilling or specialised tools.

## Essential Safety & Protection Equipments

MF Trading provides a comprehensive range of high-quality Protective Equipments for head-to-toe safety and compliance.

Our essential range includes:

**Protection:** Durable Hard Hats and Respirators (Face/Head).

**Body & Hands:** Reliable Protective Gloves and robust Workwear/Overalls.

**Safety:** High-visibility Vests and vital Safety Harnesses for fall protection.

**Foot & Eye:** Heavy-duty Safety Boots and Protective Goggles.

We supply the essential gear you need for a safe and efficient workplace.
