

Do Unto Others

lyrics by:
Brooke Typaldos

This song is based on the following Bible verse:

“So in everything, do to others what you would have them do to you, for this sums up the Law and the Prophets.”
Matthew 7:12 NIV

Verse 1:

As you would have them do unto you
Do unto others
Do unto others!
Know the Commandments through and through
They are the definition of love
Don't just do what people ask you to do
Take the Bible as your standard
And with the Bible as your standard
You'll love them with pure love!

Chorus:

People inherent rights
Stemming from their nature
Study their inherent rights
Given them by God
The Commandments are a bill of rights
They detail how to love your neighbor
And with the Bible as your standard
You'll love them with pure love
And with the Bible as your standard
You'll love them with pure love!

(Repeats once)
