

Never Will it be Forgotten

Lyrics inspired by various quotes from the last chapter of the book The Great Controversy by Ellen G. White

Verse 1:

After the thousand years have ended
The wicked are raised to life to view New Jerusalem descending out of heaven
God's Name is forever vindicated (page 670, paragraph 3)
Every knee bows down
Then fire falls from heaven to consume the wicked
One firm beat of harmony resounds through the vast universe
The Great Controversy is ended
Sin and sorrow are no more (678.3)

Chorus:

And never will it be -
Never will it be forgotten
That God's only begotten Son took the nails,
Endured the hiding of His Father's face
That I might be forgiven and redeemed!
(651.2)

Verse 2:

All things in their unshadowed beauty declare that God is love (678.3)
And on every heart His perfect law is written
I gaze upon my Father's countenance
I wing my flight to worlds afar (677.3)
To testify of His salvation
Only one trace of the conflict remains
Just the scars on Jesus' form (674.2)
Wherein is found the hiding of His eternal love and power (Habakkuk 3:4)

Chorus:

And never will it be -
Never will it be forgotten

That God's only begotten Son took the nails,
Endured the hiding of His Father's face
That I might be forgiven and redeemed!
(651.2)

Bridge:

The gravestone where my name should been inscribed
And the plot where I should have been forever laid is empty
Delivered from the power and the penalty of sin
I will declare "Death where is thy sting?!"
(1 Corinthians 15:54-55)

Chorus:

And never will it be -
Never will it be forgotten
That God's only begotten Son took the nails,
Endured the hiding of His Father's face
That I might be forgiven!
That I might be forgiven!
That I might be forgiven and redeemed!
651.2)
