

The Beginning and The End

Lyrics by:
Brooke Typaldos

*"I am the Alpha and the Omega, the First and the Last, the Beginning and the End."
Revelation 22:13*

Verse 1:

This wasn't supposed to happen;
She wasn't supposed to die
And I don't even know if she gave her heart to God before she died
I don't have the answers, it would take a Master Mind
To piece together the puzzle of her life
Someone who knows the beginning and the end

Verse 2:

He who made the seasons
Who taught the stars to align
Who guides each of nature's processes
To make them fruitful in their time
He gave my daughter every chance, all she needed to decide
And I can leave her fate in His Hands
Who alone has the wisdom to judge her life

Bridge:

Whatever part I played, Lord
Whatever sin I did
I lift my heart in true repentance
Give me grace to never do it again!

Whatever choice my daughter made, Lord
Whatever fate You shall bestow
I cast my vote wholly on Your side
You've given me peace that I have never known!

And I can't go back to the skeptic I used to be
No I can't go back to a life of iniquity
When you have washed me clean!

When You have forgiven me

Verse 3:

Before this world had fallen
Before it was even formed
In the stillness preceding creation
Before any of us were born!
God devised His master plan to reconcile us back to Him
The Holy One would become a man -
Live a perfect for her
Lay down His life for her!
To give her everything she needed to choose to live
Because He saw the beginning the and the end
Because He saw the beginning and the end!

Outro:

And like Job I will not blame Him
He's given me joy untold
I'll trust my Captain through this storm
Relinquish my desire for control
Because He holds my very life in His hands
He holds time itself in His hands!
