

# Hi there WORKPLACE HEROES

David Angway is a distinguished professional speaker renowned for his dedication to advancing financial literacy nationwide.

With close to 50 organizations under his belt, he empowers individuals to make informed and effective financial decisions.

Formerly with JP Morgan Chase & Co., a trillion-dollar financial institution, David brings a wealth of experience to his educational initiatives.

David speaks on personal finance, leadership, sales, marketing, and branding, specifically targeting aspiring entrepreneurs. He holds multiple professional licenses in investing and risk management, underscoring his expertise in the field.

With a robust online presence, David has amassed over 15 million views on Reels and TikTok and boasts a following of 120K across all social media platforms.

I'm thrilled to help empower your team with insights into personal finance management and leadership. Together, we can transform your organization, boost employee engagement, and maximize productivity.

Much love,

*David Angway RFP*
