Introduction

Welcome to Deep Mind Systems, where innovation meets expertise in AI-driven software product development, web and mobile app development, digital marketing, and cutting-edge software services. Founded by industry veteran Srinivasan Ramanujam, with 23 years of comprehensive experience, Deep Mind Systems is a beacon of excellence in the realm of artificial intelligence.

About Srinivasan Ramanujam: A Visionary Leader

Srinivasan Ramanujam brings a wealth of experience, with 16 years in the software analytics industry and a successful 7-year entrepreneurial journey. His entrepreneurial spirit led to the establishment of a thriving software training business. Srinivasan is not just a seasoned professional; he is also an acclaimed author, having penned insightful books on self-help, including "The Power Of Counseling," "Money Your Birthright," and "Where Is Your Customer?" His self-made journey is a testament to his unwavering commitment to success.

What we offer

AI ML Expert and Industry Luminary

Having worked with global giants such as TCS, Infosys, Accenture, and IBM, Srinivasan Ramanujam has emerged as one of the top AI ML experts in India. Currently consulting for IBM ICE (Innovative Center For Education), he imparts his vast knowledge through a hands-on approach, making him a sought-after authority in the field.

1. Software Product Development using AI
