

संस्कृतम् 2.0 – Bridging Tradition with Technology

Sanskrit Educators' Training Workshop (Online)

Organized by: Aum Gurukulam

In Association With: Jyotirmay Institute of Learning & Research

Led by: Dr. Bhavin Pathak

About the Workshop

The *Sanskritam 2.0* Educators' Training Workshop is a unique 8-week online program designed to empower Sanskrit teachers with modern digital tools, innovative pedagogy and technological confidence.

In today's era, while the world is rapidly adapting to technology, many dedicated Sanskrit teachers find it challenging to integrate modern resources, digital tools and AI applications into their teaching. This program bridges that gap — blending **Sanskrit's timeless wisdom** with **21st-century digital skills**.

Why This Course?

In most schools, colleges and gurukulams, Sanskrit teaching remains traditional — often limited to textbooks and rote learning. However, the **New Education Policy (NEP 2020)** encourages innovative, interdisciplinary and technology-integrated teaching.

This course has been thoughtfully curated to:

- Equip Sanskrit educators with **digital literacy and ICT tools**.
- Enable them to create **visually engaging and interactive teaching materials**.
- Strengthen their understanding of **modern Sanskrit pedagogy**.
- Build confidence to use **AI, Canva, MS Office and online learning platforms** effectively.
- Highlight the **relevance and opportunities** for Sanskrit in the modern era.

Course Objectives

By the end of this course, participants will be able to:

- ✓ Integrate technology effectively in Sanskrit teaching.
- ✓ Create interactive and aesthetic digital content in Sanskrit.
- ✓ Design worksheets, posters, comics and presentations using Canva & MS Office.
- ✓ Develop question papers, lesson plans and teaching aids efficiently.
- ✓ Use online platforms to conduct engaging TLMs and collaborative activities.
- ✓ Access and utilize the best digital Sanskrit resources and websites.
- ✓ Apply innovative pedagogy aligned with NEP 2020.

Program Highlights

- **Modern Sanskrit Pedagogy:** Teaching Sanskrit with creativity, interactivity and innovation.
- **Sanskrit in the Modern Era & NEP 2020:** Understanding its evolving role, scope and opportunities.
