From My Ministries:

As always, I want to begin by saying how much I appreciate your support and prayers. The ministry here in San Pedro couldn't exist without those things.

Here at Las Palmas, we have recently begun our 4th quarter. The year seems to be flying by. I only have a few more weeks with my seniors. They all just finished their senior projects, and it was a blessing to see them use their talents and abilities to impact others in a positive way. The different projects included: tutoring, Bible studies, art projects, economic/financial education, goals/planning workshops, music

From My Heart:

Over the last two years so many of you have generously given to help me the debt accrued as a result of my accident. Once again I want to say how grateful I am that the World Baptist Mission Office had the emergency fund available to assist me. I'm doing my best to be a good

steward and it pay it back as best I can. Recently I was blessed with an anonymous gift that will match any donations that come in specifically for the emergency fund payoff. Please prayerfully consider being a part of this. This gift will allow me to pay off the balance in half the time.

lessons, and sports coaching. I'm so proud of them and the hard work it took to finish. My 11th graders are simultaneously working on a research paper about a country and participating in a literature group with the theme of the Holocaust. My 10th graders are also working double. They are writing reports on a state from the U.S. as well as participating in a literature group with the theme of mysteries. It makes my book loving heart happy to see my students enjoy reading.

I am excited and emotional about the fact that this summer I will be able to do a short furlough. I've

been trying to do a summer furlough since 2020, but there have been different roadblocks preventing that from happening.

Please prayerfully consider allowing me to serve and minister alongside you this summer. I can do a presentation, give my testimony, teach children, speak to ladies, help with VBS, and go to camp with you. My pray is that God will open doors of opportunity that allow me to show you my appreciation for your support.

I will be following up this prayer letter with emails and phone calls to schedule a time to see you.

From the bottom of my heart, thank you for all the financial assistance you've given in the past and for any you may give in the future. If you have any questions, you can reach out, and I would be glad to speak with you.

God Bless!!
