

## Wendell & Cindy Johnson- Serving in Mexico April 2026

---

“...Go out into the highways and hedges, and compel them to come in, that my house may be filled.” Luke 14:23

What a blessing it was to witness to several men and a teenager who accepted Christ as their Savior. In December, I had the opportunity to witness and provide Bible literature to a man from El Salvador. He already had a Bible that he had received while in prison. Later, I witnessed to him again and he accepted Christ. In February, Cindy and I were ministering to people waiting to hear about their loved ones who were in the hospital. Daniel, whose father had fallen doing construction work, was waiting for news. I witnessed to him and he received Christ as Savior. They are from a village close to the town of Agua Nueva and someone from the church will be visiting them.

We appreciate your prayers for the Wednesday Bible study. Nancy, who has a burden for her son and daughter, has been praying for them. Her son, Bryan, has come to Bible study the last few weeks. Please continue to pray for Bryan and her daughter Jackie.

At the mission work in Teresitas we participated in a conference for couples. It was a good conference. We went out visiting and invited people to attend. Praise the Lord for the eleven couples that came. Several came from the area; and others were invited by those who come to the mission. Pray for the continual working of the Lord in the lives of those who came.

Cindy and I continue to teach a class of adolescent-age students. We also continue to minister in the Bible class for children on Saturdays. Sabdiela, the young lady teaching the children, has a burden to minister to children full time. Pray for God to guide her in preparation for this ministry. Also, Daniel and Mildred, a young couple who also helps in Teresitas, has the burden to attend a Bible college. Please be in prayer that God would lead them in this decision. They desire to go into full time ministry. Daniel also appreciates your prayers for his mother and father. He is very concerned about their spiritual lives. We are praying for their salvation.

The Lord bless each of you. We do appreciate your faithful prayers and financial support. Because you give, souls in Mexico are being saved and lives changed.

In Christ,

Wendell and Cindy Johnson
