

24 Honoring God

The White Family to Mexico

April, 2026

Dear Prayer Partners,

Wow, it has been one year on deputation! We have seen and learned so much in just a short amount of time. There have been a lot of 'firsts' that have happened in this, our First Year.

I was blessed to have the opportunity to preach the good news in the States, the gospel of Jesus, the liberty of salvation through Christ's finished work on the cross on our behalf. I had the privilege of being invited to preach in Mexico prior to that and I have had the honor of many invitations since.

We had our first family trip to Mexico when we went on our survey trip in March of 2025. We experienced several firsts while we were there including food, customs, and culture. Our first border crossing, first dealing with visas for us and the car, first time driving in Mexico, and first time leaving the U.S. for the girls. For some, driving in Mexico was probably the least favorite. The food, fellowship, and love was definitely at the top of the list. We also attended a Mexican wedding reception which was packed with family, food, singing, and a message from their pastor.

We have been filling our calendar this year and God has opened so many doors. February of 2026 had all of our weekends booked in Texas. March brought miles, more than 3100, as we traveled to some great meetings in Georgia and Louisiana. We also had the opportunity to stop and tour the facility at the Faith Bible Institute in Monroe, LA. We have been in F.B.I. since January of 2024 and it was great seeing where all the lecture/training videos are made and seeing all the artifacts. Thank you to Dr. Will Honeycutt for the tour.

Chloe was blessed with financial help in purchasing a new guitar. (pictured on the right) This guitar enables her to plug directly into church sound systems. We are so thankful to Calvary Baptist Church in Post, TX for their support of this ministry!!

We set out to be obedient to what God has called us to do and to go where He leads us to go. I had expected that we may have opportunities to be a blessing and encouragement to others concerning Missions. It turns out, God has shown us so many blessings and enormous encouragement through the churches and people we have been privileged to meet. We serve a mighty, awesome, wonderful God and it is our great honor to go tell others about Him.

We are grateful for our prayer partners. Please continue to pray as we continue deputation seeking to raise the support necessary to get to the field. Pray that God strengthens us for the work and leads us where He will have us go.

Dios te bendiga (God bless you),

Tim and Crystal White
