# The Guenther's *Missionaries in* New Zealand

**April – May - June 2026**

The theme for our church this year is: Faithful Forward, based on Hebrews 12:1-3. That is, we are endeavoring to be faithful to the foundation that has been laid in the past and build upon that by **being faithful to the race** God has called us to as we move forward, as a church.

We were able to attend a youth camp with my boys. It was a real blessing. Lord willing, we will be able to take a group from our church next year. It is very **good to be able to connect** with like-minded believers from around New Zealand.

This year, I've been praying more specifically about being able to reach our community and get more visitors into our services more effectively to bring people to the Lord. So while we've been making plans for more outreach, including, more corporate times to pass out tracts, recording our sermons and making them available online in various formats, updating our website, etc., God has blessed us with **visitors nearly every Sunday for the past two months**.

We started a pre-membership/new member discipleship class **to explain what our church believes** and where it stands. The class covers, Salvation, Eternal Security, Baptism, why we are called Baptist, why we use the KJV, and other topics. We are on track to have four people finish that class and join our church in August.

Thank you for your continued prayers and financial support!
