## Missionaries to the UK

April/May 2025

Greetings from the UK.

For everyone who has prayed for the start of our addiction recovery ministry, “12 Weeks to Freedom”, thank you. Last night, we kicked it off, and we had one church member and one guest attend. We are thrilled and thankful to God for the guest He sent. Our guest has a drug addiction and, for the last two months, has been on methadone. If we had started in January when originally planned, it's very unlikely that he would have attended, but God always has perfect timing. Our guest let us know that he is nondenominational and he attends catholic mass. Please pray that he continues to come to our meetings, that he allows us to continue giving him the gospel, and that he comes to a saving knowledge of Christ.

Over the last three weeks, I have been suffering with tonsillitis. In fact, it was so bad last week I ended up with a 102 fever, and my wife took me to the hospital, where they kept me for two days and gave me a dozen or so IV bags filled with medicine. It turned out that I had both viral and bacterial tonsillitis. Keep me in your prayers as I heal, particularly since I have new responsibilities with the start of “12 Weeks to Freedom.” The devil has been fighting us about “12 Weeks to Freedom” for over a year. This is just one more attack, and in all honesty, I expect the attacks to continue.

My wife, Deana, is preparing the young people at church for an Easter special. Please pray that we have visitors come and hear the gospel that day. Furthermore, my wife is heading to Austria in May to attend a class on counseling, so keep her in your prayers as she travels.

Finally, we are preparing for a short furlough in August, which will last for about seventy days. Our schedule is nearly full. Please pray that we are able to be fully booked, that God gives me wisdom as I schedule flights, book cars, and accommodations, and that we are able to add to our support.

Thank you for your continued prayers and support.
