**DALE AUSTIN WITH THE LORD**

**Taken from "The Fundamentalist" September/October 1994**

**Our Lord called Bro. Dale Austin into His blessed presence on Wednesday, September 7, 1994. Bro. Dale's desire was to stay on the field in France among the people whom he loved so dearly until the Lord took him home, and the Lord granted his request. He had known for several years that he had terminal cancer, but was able to continue in the work until the past couple of months. He slipped into a semi-coma a few days before his homegoing and did not appear to be suffering any pain.**

**Please hold up before the Lord in prayer the needs of Dorina, Jason and Timothee. The French brothers and sisters in Christ whom Bro. Dale had won to Christ will also need your prayers. The only spiritual leader they have ever known has been taken from them and they will need a special measure of God's grace as they continue in the work without him. Pray that the Lord will raise up a pastor for the church there in Etampes.**

**He is survived by his wife, Dorina and two sons, Jason and Timothee. He is from the Blanding Blvd. Baptist Church in Jacksonville, Florida.**
