CROSS-CULTURAL MISSIONARIES TO SPAIN AND LATINOS

Dear friends, family, and faithful supporters, When God gave the promise of the coming Messiah and Savior through the prophet Isaiah, people's ideas of when He would come and how that would play out seemed different to everyone. Of course, we now know that the fullness of time came that night in Bethlehem. This reminds us that we cannot perceive the timing or understand all that God has in store for us but we can see what He has done and rejoice for how He works in the lives of those who trust in Him. We wanted to share with you what the Lord has done this past year and though we are uncertain about many details to come, we are confident that He will lead us in the future to reach people that He came to save. Enjoy the photos of how God has worked through us together, both in Spain and in St Joseph County, Michigan in 2024.

Merry Christmas and Happy New Year from the Roses!
