## Fall Newsletter 2025

Dear Friends, Family and Prayer Warriors.

We pray that you all had a good year and are ready for Christmas.

We want to thank all of you for your prayers and support. You are all very important to us and the work we do here in Mexico.

Michelle has been busy teaching a small class of young girls. She is teaching them English and about Jesus Christ. Michelle is also disciplining a local women, named Leti. They also walk the streets of Huachichil and pass out tracks and share the Gospel.

I am still busy teaching at the Huachichil church on Thursday nights. They are learning a lot. I also get to preach at other churches, most Sundays. This gives us a chance to visit with other pastors and see how we can help them in their ministry and personally.

Michelle and I have been spending time in a little village about 45 minutes south of us called San Juan del Prado. We have been passing our tracks, giving away bibles and sharing the Gospel. Some people are very blunt and don't want to hear anything, some want to tell us that they are good with God because they are Catholic, but we thank God that there are a few that will listen and let us share the Gospel with them.

We are so blessed to be able to be a part of God's plan here in Mexico and we thank all of you for helping to make it possible.

We wish and pray that you all have a very Merry Christmas and that you never forget why we celebrate it. God became flesh to live among and to save His people.

"Behold, a virgin shall be with child, and shall bring forth a son, And they shall call his name Emmanuel, which being interpreted is, God with us."  
Matthew 1:23
