

DALE AND DEBBIE STOCKBURGER- CHURCH PLANTERS TO TOPEKA, KS
DECEMBER 2025 Prayer Letter

DEAR FELLOW CO-LABORERS IN CHRIST AND FAITHFUL SUPPORTERS,

I pray that this letter finds everyone doing well. I always would like to say first that we are very thankful for the Prayers and Financial Support of our WBF family. We are grateful for all that God has done and what He will continue to do through us as we faithfully serve Him.

As I pause to write this letter I apologize for not writing since April. It never fails that I get side track from keeping those who pray and has helped financially to us as we serve our Lord and Savior. I think of Paul who often thanked his followers and fellow believers in his letters, especially for their prayers.

Philippians 1:3 **"I thank my God upon every remembrance of you,"**

It has been sixteen years since we have arrived in Topeka and I praise the Lord for the members that God blessed us with to serve with.

Since my last letter we continue to rejoice in what God is doing at Heritage Baptist Church. With that said I want to share what is happening here since my last letter. When I wrote last I asked for **prayers for us as we had another Baptist church merge with us.**

We have seen two Churches become one in the sense of growing Spiritually as we seek to reach the Lost. Through this year we have had our growing pains but the Lord brought a love for the people in a deeper level.

Since our last letter I asked for Prayer for the sale of the other Church Building we inherited. Praise the Lord we sold that Building in November. We prayed that we could see a Spanish Ministry start in there but God had other plans.

There was another Church in town that has deep roots in the community that bought this building which will help them to do even more for the Lord.

PRAISES: We recently Baptized a Married couple. They have been so faithful to the Lord since they have joined Heritage Baptist. I feel so blessed to have them with us. I have a young man that surrender to the Lord Call on his life. He feels the Lord calling Him to be a Preacher. I have seen him grow in the Lord and I am excited to what God has for him ahead.

Even though we haven't seen someone accept Christ as Savior in a while we know that God will bring in the Harvest for the Gospel Message that has been shared to the community from us.

UPDATE ON THE HERITAGE BAPTIST CHURCH BUILDING:

Since God graciously allowed us to sell the other building we are able to do more on our building. We held a Business Meeting to address our Important Needs and voted on getting the following needs done. We will have a new roof put on the Church and then we will have more remodeling done. We will have new entry door with an ADA ramp with rails done. Then we will have our back entry redone with double doors. Also there is other projects mixed in. We Praise the Lord for the finances He provided to fix up the Church Building.

I say all this to Brag on our God who continues to Bless us beyond measure.

I always want thank everyone for the prayers for myself and my family.

The Lord has been so good to us through all things. We choose at Heritage Baptist to focus on all the Great Things God has done and is doing for us.

Psalm 92:1-2 "It is a good thing to give thanks unto the LORD, and to sing praises unto thy name, O Most High: ²To shew forth thy lovingkindness in the morning, and thy faithfulness every night,"

Again, I would like to encourage everyone who feels lead to go to our Facebook page and like it. You can see what God has been doing here in Topeka. We appreciate everyone's continued prayers for us as we serve the Lord here.

There is so much I can write about but I am leaving my phone number for anyone who wants to know what God is doing in our lives here in Topeka.

I mention this at the close of every letter because I sincerely long to hear from my fellow Co-Laborers in the Ministry.

Merry Christmas and Happy New Years!

God Bless, Pastor Dale Stockburger and Family
