Dear Prayer Warriors,

We pray everyone has had a great start to this new year! Much has happened here since our last letter. In December, our church facility was having some serious filtration issues and mold was growing. There was also a problem with garbage on the street, and rats and tarantulas, etc. The decision was made to move into another building as the church awaits its final building permit. The move happened right after Christmas, and we thank the Lord for a much better situation for now. They baptized three new converts in December, help us pray for **Denise, Daryanis, and Sebastian** as they grow in the Lord. **Hno. Marcelo Cerda** is in seminary now as he prepares to take over **La Primera Iglesia Bautista de Vista Catalina** in the coming months. Please be in prayer for the transition. If the church is not able to obtain the building permit by the summer, they will be looking to purchase another building and remodel in the meantime. Please help us pray for this process.

Our family is doing well. Andrew is preparing for graduation and college in the fall, and we continue to prepare for furlough beginning in September. Please contact us if you would like us to come by and give a report. It is our goal to share what The Lord is doing here, and to be a blessing in any way we can.

Much thanks to all of you who sent us Christmas gifts and offerings. They certainly have helped meet some needs during these times! We pray the Lord's continued blessings upon you in 2026!

God bless and Happy New Year!!
