Dear Pastors, family and friends,

We pray that all is well, and that God's blessing are abundant.

What an honor it is to serve the Lord. Preaching, mechanic, construction, or just loving on someone. Whatever you do, do for the Glory of God.

I have people tell me that they don't have anything to offer the Lord. Moses had a stick and God used him in a mighty way. Don't underestimate yourself, use what you have and let God be Glorified.

I had the pleasure of preaching the first Sunday of Missions Month in Los Lirios. They are such a blessing to us both. I am also preaching in the local church, here in Huachichil and occasionally at Puerta Mexico when given the opportunity.

We have started another semester of bible college, and we are growing closer to our disciples.

We've had several visitors from Texas this summer that was a big blessing to us and a lift to our spirits. After living here since Spring 2021 we were craving visitors to visit with us. In August Pastor Charlie Brown and his daughter Hannah flew in to help us raise the rafters/trusses in our house. And at the end of August our good friends Gerald and Tina from Paris came to visit for a long weekend.

A small group from our home church in Paris Texas flew down In October and helped us on our house for a week. They were such a blessing to Michelle and myself. We got a lot accomplished in seven days. I do want to thank each and every one of them for giving up their time and leaving their families and jobs to come and visit and work. Michelle and I needed the fellowship.

As of August, we have been moved out of the STEP program (Short Term Evangelism Program), to full time missionary status with the World Baptist Fellowship Mission Agency.

We do pray that each and every one of you are using what God has given you and that you are reaping the blessing of your labors.

We live in a broken world, bad things happen, refrigerators stop working, friends will abandon you and memories of loved that we have lost start flooding in during the Holidays. I pray that you will take time each and every day to thank God for all the things you have.

I am thankful for all the Church's and individuals that support us, both in prayer and financially. I am thankful for all of my friends and family. I am thankful that although our refrigerator stopped working, my car is working good.

I am thankful for all of the good memories that I have of those who are no longer here.

1 Thessalonians 5:18 "In every thing give thanks: for this is the will of God in Christ Jesus concerning you."

Love your fellow servants,

Marty & Michelle Herman

Prayer Requests:

*Pray for the people of Mexico that God would prepare their hearts to receive the True Gospel and that He would continue to prepare us to minister to them.

*Financially as the cost of living is increasing and we need to raise more monthly support.
