Sent by Cornerstone Bpt. Temple, Pastor Dr. Jerry Siler / Sent through WBFJ Mission Agency Mission Director Pastor Joey Bacon

Dear Pastor, Praying Friends and Family, Dec 2023 was a busy time ,but also a blessing!

Attended 5 Christmas programs of those we work with, plus many other events. Pastor Thomas and family at Agape Bpt are doing well. They still need their own church bldg! Pastor Tom, his wife and two daughters opened their home ( the bldg they rent for the church) to three Bible Institute students . Sarah will graduate this year and Jon shortly after Sarah. They both plan to be active in the ministry after graduation,as well as now. Rifki, the other student has quite a way to go. "In His Time" So proud of all of them! Pastor Filipus just had a operation to remove tumors from two fingers ??Their son Deo, while riding a motorcycle, was hit by a car. Praise God he is doing better. They need a motorcycle as their church, Mount Karmel Bpt is up in a mountain area, and the roads are difficult to travel with the motorcycle they have now. Will share news of the others we work with, in our next update. The Bible Institute was able to renovate one of their buildings, due to the gift of a dear donor. God is able! The needs are many! Will you have a part? Closing with thanks for your prayers and support! Love in Christ, Dave and Carole Ross Phillipians 2:4 "Look not every man on his own things, but every man also on the needs of others" P.S/Our two precious greaties will both have a birthday in March! March 22nd Eli will turn one ! and March 28th Emi will turn 3!
