

Cornerstone Bpt Temple Dr Jerry Siler / Sent through WBF Mission Agency Mission Director Pastor Joey Bacon

Dear Pastor, Praying Friends and Family,

Looking Back: Thanks much to those that sent us a card or gift at Christmas! The Bible Institute plus each of the 4 churches we work with, had a Beautiful Christmas program based on John 3:16!, the National theme this year. David spoke for the church up in the mountains Mt Karmel pastored by Pdt Filipus. (Check video posted with our current Prayer Letter!) Thanking God for bringing us through a rough time starting about Dec 23,2024. David fell and bruised his side and his collarbone on the right side. Praise God, two nice neighbor men came to our home about 11:00 P.M. and were able to get him up! He is almost better! Praise God! And I have had flu for a little more than a month. Finally I can read the Bible out loud and my voice is now much better! /In Jan 2025 an Ind Bpt fellowship mtg (2 nights and 3 days) was held in Solo. 166 attended. Those who were able to be there were happy to share the time in God's Word, and with each other! /!There will be about 25 students in the Bible Institute this (men and women) please pray for them! Would your church, or perhaps families in your church like to support a student/ in Indonesia? For \$100 a month ,you could pay for one students food, transportation, some personal needs, help with class trips, and fees at the campus. The information about the student can be sent to you, so you can pray for him/ her. Please pray about it. Thank you! / Please view the short video of a member of Agape Bpt Church. Pak Wily, his wife ,and one year old daughter now live in Kalimantan. Their house was flooded, a short time back. They are back in their home now ,but can use help.
