Dear Prayer Partner,

The last week of January brought both blessing and disappointment. First to get the disappointment out of the way. We recently learned that we lost our post office box here in Brazil that we had been using for over 30 years for lack of renewal. However, we never saw a renewal request, or we would have done so. As a result, our account was cancelled, the box was made available and rented out to a different client. This was evidently done in October 2024. As a result we were left with no recourse but to sign a new contract and rent a new P.O. Box, (Caixa Postal). As such please change your records of our contact address on the field to reflect this change. The new address is:

Now for the blessings. We had an activity for the children in our area the last weekend of January and had 5 children accept Jesus as Lord and Savior. The activity was called "Tarde Alegre" (Happy Afternoon) and truly it was. We also had a lady who was visiting for the first time saved the following Sunday evening. Secondly I mentioned in our last prayer letter about the hacker who managed to transfer an extremely large amount of money out of our bank account. Thank GOD the bank security team was able to determine where it went and recover it for us, and it is now back in our account. Thank you to all of you that prayed for us in this matter.

Lastly, for those of you who are still using our "UOL.COM.BR" email address, please update your records and change over to our other email address which we can check on our cell phones. The uol.com.br address will soon be discontinued, since it is rarely being used or checked. Please use the following for all correspondence: jlaglantz@gmail.com. Thank you

All Because of Jesus,
