

The McCutchen's Missionaries to São Paulo, Brazil

Dear Pastor and Praying Friends,

February 6 2026

Every time we think of the "Goodness of God" in our lives, it makes us so honored to invest in the lives of our Brazilian partners throughout Brazil. We love pouring our lives into these dear couples. We are encouraged that every work is seeing souls saved!

At the beginning of the year, I asked our pastors to give me an idea of how many were saved in 2025.

Praise God that 192 souls were brought to Christ!

We have been on a three month furlough, visiting our doctors and reporting to several churches. This time has been extra special with the presence of our "adopted" granddaughter, Isa. She's the daughter of Pastor Washington, our colleague in São Paulo. She's been able to share her testimony from a special *point of view*. Soon after we arrive in São Paulo, Isa will be entering college to pursue her Speech Therapy degree.

Last year, I asked our daughter, Shaunna, to share her testimony of

transformation and restoration on our zoom meeting with the pastors and their wives. After a time of testimony and questions, (about 3 hours) our pastors asked Shaunna to please come and share with their young people and ladies. *God is so good!* God has given Shaunna this amazing opportunity.

Her boss has given her a 6 month leave of absence, and she has raised almost all her support to sustain her for the 6 months in Brazil. We all leave next Tuesday, February 10th to head back to Brazil. Pray for us as we have the honor to serve together. God bless you guys.

Thankfully received,

Till He Comes Again,

_____ Nov - Dec (will receipt in April)

Mark & Dana McCutchen

_____ Jan - Feb
