

# MARTY AND JESSIE STARLING

TO THE HISPANICS OF NORTH FLORIDA

**"HELPING PEOPLE BLINDED BY A RELIGION FIND THE TRUTH"**

February - March - 2026

Prayer Warriors, Supporters,

"To Him be the glory and dominion for ever and ever. Amen." 1 Peter 5:11. The Mission here in Starke is growing and we are seeing spiritual growth. The church is having visitors despite some negative activity in the area. Pray that we can reach more people before they have to return to their country.

A Columbian family has returned and are faithful in attendance. We baptized both and they are anxious to serve the Lord. We also have a new Venezuelan and some Guatemalan visitors. Also some new men who work in the Alligator farm are attending. Pray that soon these men will surrender to the Lord. We are still working and trying to increase our youth classes. Please pray God gives us more Sunday school teachers to help in this ministry. Also pray for the calling and the process of a Pastor for this Mission. We have a prospective preacher in mind and God is working in the process. The church offerings will have to increase in order for this to take place. We know that God is working and we are praying that all the transitions go well and positive. Please pray for this special need.

Alexis, Jaime and Mario, have been saved recently. We hope soon to have a baptism for these men and others. Pray for them and their wives and children. We are praying that they will be a definite witness to their families. Pray also for a Peruvian couple. Jessie has a personal class with them in their home. We are praying that soon they will understand and make their decision for Christ. They have always followed traditional Catholicism and are not saved. They are regulars in church. Satan is always using previous religion and traditions against the Gospel Truth and makes it difficult. However in the end the Holy Spirit takes charge and there's a decision and major change.

We have heard from the churches that we started thru the years both in Peru and Mexico and all have grown both in number and spiritually. Some have new pastors, and are doing well. Reminiscing over these 59 years, God has blessed us tremendously. The Spanish church here in Starke has been the most trying of all, for all our years. Perhaps because of the various cultures and customs along with adapting to a new life here in the U.S. This is probably the overall reason for a slower growth.

Continue to pray for our health. It is "so far, so good" as the saying goes. We got thru the winter season with no serious illness. God bless you all for your love and concern for the work He is doing. Thanks so much for your prayers and support. Thanks for being faithful to us and our ministry. In the years to come we'll all rejoice together in Heaven

God is so good.

*Marty + Jessie*

In His love, Marty and Jessie

This faithful member travels 40 mi. to Starke and brings visitors to church.

Pray for camps at Rancho La Paloma in Mex. They expect hundreds of youth this summer. Pray for Mike as he carries on this ministry.

Pastor Luis Martinez is Pastor of our first church we started in Lima, Peru. He was saved, baptized and called in that church.

Pastor Luis in Lima, Peru. The Church has grown to a large attendance and has started several Missions in Lima.

Home Church: Pine Level Baptist  
Home address: 16247 SW 64th Ave.  
Starke, FL 32091

World Baptist Mission Agency  
P.O. Box 13459 Arlington, TX. 76094-0459.

Our mission is to reach Hispanics in the U.S.  
Pray for us as we work in these ministries.  
There is much to be done yet.
