Dear Prayer Warriors,

Times of change are upon us! As 2026 has come into motion, it appears that change is the theme for us. **La Primera Iglesia Bautista de Vista Catalina** changed locations in January and continues to litigate the building permit process. If nothing is approved by the end of May, they look to purchase a building and have it remodeled. Please continue to pray for this process. In February, a mission team from Victory Baptist in Paris, TX came and was a great blessing to us! During their time here, they helped with some needs in the new facility, helped with neighborhood canvassing, as well as events in the public school and in the sugar cane village! The call to missions remains, and we look forward to providing some infrastructure to host many more groups in the future. In March, the church voted in **Hno. Marcelo Cerda** (seen in the photo) as national pastor! This means our time there comes to an end. After our upcoming furlough, we will be starting a new work here close by as well, as with the missions infrastructure project mentioned prior. Please be in prayer for all of us during this time of change. This certainly is a great milestone reached in the Lord's work here in La Romana. Also in March, two pre-teens who attend our church came forward for salvation! After the service was over, another family came to see me in the office and expressed their desire to follow Jesus as well! Pray for **Hansel, Anabel, Andry, and Liz** for spiritual growth. New believers are always a great blessing!

In September, we plan to start furlough! We will travel into August of 2027 before returning to begin the new work here. If you would like a report, please let me know so we can get you on the calendar.

We thank you all for your faithfulness, prayers, and support. They mean much during these times of change!

God bless,

The Pattons

Jonathan Patton
