Greetings from Our Byrd Nests for a great future ❤️

January 10, 2023

Dear Prayer Friend,

We are excited to report that both of our churches are now having regular worship services in their church building. There is a sense of special appreciation and thankfulness unto the Lord and to all who have helped make this possible. The services are so wonderful. There is so much anticipation to what the future possibilities are. We are grateful you are with us as we continue to go forward.

January Commitment Month

We begin each year with our Commitment Month to encourage and challenge one another to dedicate themselves to walk with the Lord and to serve in some specific way in the church this new year. Please pray with us that many will do so. Also pray for those who are preaching; different ones are preaching each week concerning a specific area.

Precious Baby Dedication

It was a Blessed way to begin the New Year for two families who dedicated their babies unto the Lord. It was extra special as the families were related. The mother of one baby and the father of the other child are brother and sister. How precious it must have been also for the Grandparents to have their son and daughter dedicate their grandbabies unto the Lord. *Precious! so very Precious!*

Charlotte Cataract Surgery

Recently Charlotte had cataract surgery which went well. She has gone from barely being able to see to now not needing glasses; how blessed!

Albonor and Huancavilca Church Construction

For the most part now, construction of the churches is minimal. There are still some aspects needed to be tended to, but services are being held. The Lord is blessing; we have visitors coming often.

Thankful For Your Faithful Prayers and Friendship,

Stephen & Charlotte
