

MARTY & JESSIE STARLING

TO THE HISPANICS OF NORTH FLORIDA

"HELPING THOSE BLINDED BY RELIGION FIND CHRIST"

January 2024

Dear Supporters and Prayer Partners,

Hope you had a great 2023. And as we all look forward in this new year to all God has for us, we will be praising Him as we continue in 2024.

God has led us in different areas of our ministry. We are especially thankful for our Spanish work here in Starke, FL. This church is now supporting and helping several national Pastors/Missionaries in Mexico and other places. Our people are involved in giving toward these missions and projects. We have helped with buildings, medical expense problems, and vehicles. God is blessing on these fields. Some of these brethren we helped train in Bible Institutes while we were still in Mexico.

Continue to pray for us as we reach out to the Hispanics in north Florida. God is using us here and we rejoice and are happy for His hand on our lives. We've had some medical challenges but are much better and excited about 2024. We are definitely looking forward to what the Lord is going to do.

We are reaching out for help in our ministry. Right now we are waiting for permits, etc., for a family in South Florida who are here from Peru. Pray for the Guillen family as they make plans. There have been some setbacks, but we ask you join us in prayer for the Lord to guide us in this matter. The Hispanic population as you know is growing very fast. Help us as we try to reach the ones in our area and help others in other areas.

Thank you so much for your support in our ministry. We know God will bless us together for our efforts to reach the people who need Him. One day we will rejoice together as we gather around His throne.

God bless you all, Marty and Jessie

Thank you for your faithfulness
