DEAR FRIENDS AND FAMILY

Jan 2025

It is hard to imagine that we have entered 2025! We reflect on all of the blessings, challenges, and lessons learned in 2024 as we look forward to another year of serving God and being part of where He is working. He continues to work here in the DR!

In December, we celebrated another baptism in Ramon Santana. If you have ever visited with us – or paid close attention to pictures we have shared in the past, you will remember that our baptismal is facing the street – on the outside of the church building. We always enjoy the crowds that gather to see what we are doing. Pastor Mota always explains what baptism means and it is a great opportunity for anyone passing by to hear the Gospel – even if they have never come into the building itself.

Recently, if you follow social media, you may have seen the video and picture that Lynn posted on Facebook of Joel. Joel is the son of Berto and Yulissa. He has been part of the church since he was about 10 years old. He is now 18 and is our church’s drummer. Two years ago, we brought back a set of drums to donate to the church and encouraged Joel to teach himself through you-tube videos! He is very musically inclined and has done an excellent job of adding to the worship time. His sister, Yuleisi, recently took up guitar and is now also playing on the Praise and Worship team. We are thankful for not only the financial support that comes to us personally so that we can live and serve here – but, many times we use that support to provide instruments for the people to use in worship, books to use in discipleship, and even to purchase chairs and tables for Children’s Church!
