Greetings once again from Thailand.

Kannika is putting together a Pastor's wife and Sunday school teacher retreat. She would really appreciate your prayers for this. Most Pastor wives have little fellowship together because they work and because of the distance between churches. Kannika wants to be a blessing to them and is putting together a retreat for Thursday April 30 to Saturday May 2. Each Pastor's wife can come and bring up to two lady Sunday school teachers. This has been on her heart for many years. She has spent time discussing it with the ladies and they all have been excited about getting together for fellowship. The best time for the ladies is during a holiday weekend because they work. The best holiday seems to be Memorial Day weekend. Please read her letter below prayerfully and see if God would have you join Kannika in being a blessing to these ladies.

Dear Pastor and Church family,

My name is Kannika Tucker. My husband (Tommy Tucker) and I are serving as missionaries in Thailand. I hope you had a wonderful New Year with friends and family. The reason I am writing to you is to ask you to pray about our ladies retreat and to offer you a chance to help out with the expenses. It has been on my heart for a couple years to invite our Thai Pastors' wives and Sunday School teachers on a special retreat. Almost all of our pastor wives work and so do not attend fellowship meetings. The plan is to do a 3 day and 2 night retreat in Pattaya along the beach (of course in Thailand). There will be about 15 ladies (from 8 churches) who have been serving alongside their husbands and teaching Sunday School in local churches.

My goal is to raise \$3,700. This will include rooms, food, gifts, crafts, outdoor activities, and transportation from Bangkok to the resort and back. The ladies will be coming from different parts of Thailand to Bangkok and they will be responsible for their own expenses for that part of the trip. I will be booking the transportation for us to travel from Bangkok to the resort and back together. Lord willing, I plan to hold this retreat April 30-May 2, 2026. It is Memorial Day weekend here in Thailand. At first because of cost we tried to stay away from holidays. Their work schedules made it necessary to use a three day weekend. We want to be an encouragement to our pastor's wives and Sunday school teachers and to create a time of fellowship together. If you would like more information on this opportunity or if you would like to participate in helping with this endeavor, please contact me at my email address: bamboodish@gmail.com. I appreciate your time and hope you have a blessed day in the Lord.

Sincerely,
Kannika Tucker
