**CROSS-CULTURAL MISSIONARIES
TO SPAIN AND LATINOS**

January 16, 2026

Happy January! We continue to work with Spanish-speaking people in St Joseph County and have had new contacts every week. Dena has had an uptick in Spanish-speaking walk-ins at the Pregnancy Helpline and is excited to continue in contact with these ladies. **Please pray with us for these families and that God will accomplish His will in their lives!** Our regular church people have been faithful through the last several months but the farm workers have struggled to make it because they are working with a skeleton crew through January, as the owners let as many workers as possible go home to visit their families over the holidays. Bill has had to pause English classes at the farm for the same reason but there are plans to resume class again in February. Gilmar has begun online theology studies again. **Please continue to pray with us that God will help us develop leadership for the ministry in Michigan.** Bill is supposed to head up to Hart, MI in a couple of weeks for meetings to begin planning the evangelistic soccer tournament for migrant workers- please pray for us to have wisdom and also be able to recruit the helpers that we need for this event.

In addition to the Spanish-speaking ministry in St Joseph County we have been busy with prep work for the two groups going to Spain with us this summer. **Please pray for us as we are working out the planning and every detail.** Bill plans to make a trip over to Spain at the end of March to work out some of the details in person. Kelsey and Gonzalo made it back safely to Malaga on January 5 after almost two months of canvassing and presenting the ministry in Texas, Minnesota, and Michigan. While we didn't get to see them as much as we would have liked, we are thankful that they were safe while travelling, and also thankful that we were able to enjoy the holidays with them! They will continue to network from Spain for their "Exceedingly Beyond" project to raise funds to help their church purchase the building they have been meeting in for the last 10 years. We would be happy to send their promotional materials and prayer cards out to anyone who would like them!

We were recently reminded of how quickly God can answer a prayer in a definitive way. Bill woke up on Christmas Day burdened for believers in Nigeria and spent time that morning praying with Johnson, the pastor of the Nigerian church we collaborate with in Roquetas de Mar, Spain. They specifically prayed that God would change the hearts of those who were persecuting His people or that He would take care of them if He in His infinite wisdom knew that they would not repent and change. That very day we heard that the US military had bombed terrorists in Nigeria and the church in Roquetas was ecstatic that God had answered their prayer and sent help for their people.

To clarify once again, **we are not on staff at any church but are fully supported as missionaries.** The work we do and the events we plan are paid for out of our support and also by the blessing of occasional special gifts. We praise God for His faithful provision for our needs! We are currently based out of West Michigan where we have free housing and take regular trips to Spain to support nationals and their ministries and bring groups from the US who can serve in Spain short term to evangelize, to bless those nationals, and to help their ministries move forward. Let us know if you're interested in bringing a group to Spain in 2027! **The video that we made recently does a good job of explaining what we're doing!** If you haven't yet seen it, please find it at: <https://youtu.be/nCNnhl0-Xc0> or by scanning the QR code. Rosestospain.com is back up as well. Please feel free to reach out to us with any questions or comments about the ministry God has put before us!
