Dear Prayer Partners

January 2026

Happy New Year! Philippians 4:4 – “Rejoice in the Lord always: and again I say, Rejoice.”

After reflecting over this past year, Branches has so much to rejoice and be thankful for, and you helped play a part in it all.

In January of 2025, we started our year off with baptizing two men in our church. They have been faithful servants in the church throughout 2025. Branches celebrated its 4th Anniversary as a church and had a wonderful turn out for that.

We had several outreaches that helped spread the Lord’s love through free coffee, prayer, Greenfest, trunk-or-treat, and a street clean-up. During these events, we were able to be a witness to many people in our local area.

Our Easter service in 2025 was the largest turnout we have ever had, with over 100 people in attendance. The kids’ class had about 32 kids, which was such a blessing to see.

We started an English-speaking Bible study and kids’ class at a Korean church that is about 12 minutes from where Branches is located. We have been able to build new friendships and reach lost souls in a new area. We held a trunk-or-treat at this location and had over 100 people come through.

Me and one other lady were able to help lead our first ladies’ discipleship class, where we taught three ladies. This is a 19-week program where you learn scripture, develop a habit of daily Bible studies, build friendships with other believers, and build a Godly foundation in your life. It was a true blessing getting to know these ladies better, helping them grow in Christ more, helping them understand the importance of discipleship, and helping prepare them to disciple others.

Because of all these events, we have had several families Faithfully come to Branches. Liam, a child in our kids’ class, has accepted Christ as his Saviour. We are looking forward to his baptism and seeing what the Lord does in his life.

So as you can see, Branches has so much to be thankful for from 2025. I want to say thank you to each and every one of you who have helped in reaching the lost souls here in San Francisco through your prayers and support.

Please continue to pray for BIG things to happen this year for San Francisco through Branches Baptist Church. Lastly, please pray for my mom. She has been going through a TON of testing since December to see about having a heart transplant sometime this year. Pray the Lord will give her and my dad comfort, healing, and guidance as they have a lot of important decisions to make this year. Prayer for you all!
