Dear Friends and Family

January 2026

As we begin a new year, our hearts are full of gratitude. The Christmas season and New Year allowed us a time of rest and refreshment, and we are so thankful for that gift. We are deeply grateful for the generous financial gifts given by so many during the holidays—your faithfulness continues to encourage us and sustain the ministry. One of our greatest blessings was being able to celebrate Christmas and welcome the New Year surrounded by all of our children and grandchildren. Time together is truly priceless.

Since returning from the break, things have moved quickly at the school. One major project currently underway is a complete overhaul of the electrical wiring across the campus. Much of the wiring dates back to the original house built in the 1940s, so this is a necessary and significant improvement. We are thankful for God's provision and protection as this important work continues. Pray with us that the finances to cover all of this work is provided in the coming months.

We continue to ask for prayer regarding staffing needs. We are currently seeking a **6th grade teacher** to finish out this school year from April through June 15, as well as a **7–9 Science teacher** for the remainder of the year. In addition, we are already praying for teacher needs for the coming school year, including **1st grade, 6th grade, 7–9 Science, and 7–9 Math**. If you or someone you know may be interested, please feel free to email me directly.

There has also been encouraging activity at the church in Ramón Santana. A visiting mission team is here this week helping with a “facelift” to the church facilities. Additionally, Pastor Mota and the Dominican-led leadership team met last week to plan the year ahead. Their focus includes expanding ministry opportunities within the city of Ramón Santana, growing deeper in discipleship, and continuing to build and strengthen the church body. We are excited to see how God will work through these plans.

Thank you for praying, giving, and walking alongside us in this ministry. Your support truly makes a difference. We are grateful for each of you and look forward to all that God has in store in the months ahead.

With full hearts and deep gratitude,
