

Gary & Monnie Bacon

Missionaries to **MEXICO**

January 30, 2026

Dear Friends,

The year of 2026 has begun with many blessings. By God's grace, good things are happening in the Lord's work in Mexico. Iglesia Bautista Monte Sion in Valle Hermoso, Mexico has experienced good growth in the past year. Souls have been saved, and new members have been added to the church. There has been a good increase in attendance, and the church has started supporting two new missionaries in other parts of Mexico. We praise the Lord for the many good things that have happened in His work.

On a personal note, we have had some physical issues and some family issues. On November 26, Gary had to have surgery on his face for skin cancer (melanoma and basal cell carcinoma). Monnie had an infection in her eyes, and she is still recovering. Gary just had a biopsy of a growth on his ear. It has turned out to be a cancerous growth, and he will be having surgery to remove it very soon. We appreciate your prayers in our behalf.

As most of you know, Gary's sister, Linda Raley, went home to be with the Lord on December 19. Linda served God all of her life. She had been ill for the past few years, but she still attended church and did what she could in the Lord's service. We are comforted by many sweet memories of time that we spent with Linda. We rejoice to know that she is now in Heaven, free from illness and pain. Great is her reward!

As always, we thank you for your support. We could not do our missionary work without your prayers and your faithful financial contributions. You have a special part in all that is accomplished through our ministry. May God bless each one of you.

In Christ,

Gary & Monnie
