

Jan-Mar 2025

It's been a great start to 2025! God has **already been blessing** and we are looking forward to great things happening this year.

In December, during our Christmas programme, our Christmas choir did very well. We had **a lot of visitors**, and the gospel was preached. It was a very good day.

After Christmas, our attention fully turned to final preparations for our biggest outreaches of the year: Waitangi Day and our Event held on our church property. Both events went great. Leading up to this, we handed out **hundreds of tracts and invitations** door to door. Lots of gospel tracts were handed out in person. Most of our church people got involved with these. At the event on our church property, we had **over 350 people** in attendance throughout the day. The day after, we had one lady attend our church service. We were all excited!

Our eldest son **Isaac had to be hospitalized** for a couple of days due to extreme stomach pain. They did a procedure and determined that there was a blockage. When they went in to surgically fix the issue, the blockage had resolved itself and the doctor didn't need to do anything serious. Praise the Lord! As for myself (Tim), I had a kidney stone. Thankfully it passed by itself in a couple days.

Thank you for your continued prayers and financial support!
