Missionaries to **MEXICO**

July 16, 2024

Dear Friends,

This is always an exciting time of the year. We are preparing for Vacation Bible School, which is one of our most important outreach ministries. Our VBS theme for this year is "My Times are in Thy Hand", taken from Psalm 31:15. Our Bible lessons will be based on the life of David. We will be teaching the kids that God wants to work in our lives at every stage of life, from childhood to adulthood. We hope that the boys and girls will receive a blessing. Our main purpose is to share the message of Jesus Christ with the children so that many of them will be saved. Our VBS will be held next month, from August 8-11.

There is one specific prayer request regarding VBS. Last year we had some difficulties in Mexican Customs when we were transporting backpacks and school supplies across the border. We had to pay some taxes, and we were delayed every day when we went into Mexico. This year we are trying to get permission from the Mexican government to take things across the border without difficulty. It is important to distribute the backpacks and school supplies to the children at our church in Valle Hermoso. Many of their parents cannot afford to buy those things for their children. Those items are just too expensive to buy in Mexico. So please pray that the Lord will make a way for us to take everything across the border without problems.

We have had a lot of much-needed rain during the last month. Even with the rainy weather, the church members at Iglesia Bautista Monte Sion have been faithful to attend church services. God has blessed us with some great people. And Pastor Juan and his family are still faithful in the Lord's work. We are thankful for them.

And we are thankful for each one of you! Your prayers and financial support enable us to continue doing our work in Mexico. We appreciate your participation in our ministry. Thank you for being our faithful co-laborers. May God bless you all.

In Christ,

Gary & Monnie
