July 2025

Dear Prayer Warriors,

Prayer can be expressed in words and without words and God responds to both. I and all our missionaries are grateful for your prayers. The Lord has enabled me via the internet to teach to our many Christian friends in Brazil. Once a week we have a two-hour meeting via Zoom in which we seek to encourage one another by sharing what God is doing in our lives.

Mateus and his wife have begun a new work in Paranapolis and are in the process of raising support. Pastor Silvio Santos continues his work in the prisons and has had a number of new doors opened to him. He also places Bibles in the hands of the prisoners. These Bibles are often furnished by the World Baptist Fellowship Mission Agency.

God willing this month pastor Washington will be traveling to Manaus where he will meet with WBF missionary Mark McCuthin and the two of them will be translating for a group visiting from North Carolina. The group will be visiting the Institute for Transforming Lives. The pastor who planted this work is deeply grateful for the financial help the ITV has received for this work. As a result of this work a new church has been planted and pastor Plinio has joined hands with pastor Paulo Arruda to help in this work.

The two-hour meeting on Tuesday evening has become a wellspring of blessing and support for all who participate. I am honored to have a part in this meeting to teach Brazilian pastors. The promise of Romans 8:28 is reassuring to these men no matter the circumstances. Many of these servants of God have been through faith-building experiences that lead them to trust God's promise to work all things together for their good and God's glory.

In closing I ask you to pray for Eloina, pastor Paulo Arruda's wife, who is presently battling cancer. They are the couple God has used to plant the Institute for Transforming Lives and the new church in Brazil. Again I would remind you that this is fruit to account in helping to teach and preach the good news of salvation.
