New salvation and giving a new bible

Preaching in Poleo - May 18

Spring Newsletter 2025

Dear friends,

I want to start by saying thank you for your continued prayers. Our God is so good. We pray that you have had a good year thus far and that the Lord is blessing each and every one of you.

We have been blessed beyond measure. Michelle has teamed us with a local woman (Leti) here in Huachichil and are witnessing throughout the town each week. They have had 7 people receive Jesus Christ as their personal savior.

We are still disciplining people and are looking for others to disciple. We have moved into our new house, praise God, and we have already used it for the Lord.

Last weekend we had a baby shower for Johana, who is a member of the church in Los Lirios. We had people from 4 different church's at our house that day.

We also have a group coming from our home church, at the end of July to stay with us for a week and help with Vacation Bible School in Los Lirios and an outreach at a mission in La Presa.

I was asked to start teaching on Thursday nights at Iglesia Biblica Bautista de Huachichil. I am so excited about this. The Church is hungry for the truths of God's word. They want to learn and to share what they have learned.

I believe that we cannot and will not worship and serve our Lord correctly, with all of our heart, until we understand who He is and what He is. There are so many people in the world and especially here in Mexico, that believe that God is a God of wrath and destruction only, and that Jesus is only full of love. I have been teaching them that my God has a perfect balance of Righteousness, Sovereignty and Love. My God is perfectly Holy. Everything He does is because He loves us. Once we understand the love of God, we will serve Him because we love Him back. It is hard to have a good relationship with someone that you only fear.

Exodus 34:5-7 "And the LORD descended in the cloud, and stood with him there, and proclaimed the name of the LORD. And the LORD passed by before him, and proclaimed, The LORD, The LORD God, merciful and gracious, longsuffering, and abundant in goodness and truth, keeping mercy for thousands, forgiving iniquity and transgression and sin..."

- Johana and her baby which is due the first of August.
- The new salvations, that they will continue to grow closer to the Lord.
- The Huachichil Church, that they would apply what they are learning and share it with the world.
- The group for Victory Baptist Church, as they come here to serve, and that God would prepare the hearts of the young people who they will be witnessing to.
- We also need to legalize our vehicles in Mexico - pray for the funds to do this as well as the paperwork process and traveling to the border to import them.

Unexpected problems in the volkswagen. April 13 on the way to Service in Puerto Mexico we had a flat tire and after service we noticed a bad water leak on the volkswagen. So thankful Marty was able to diagnose the problem, order the parts and fix everything.
