Dear Co-laborers,

Greetings from sunny Indonesia! I arrived back safely on May 29, 2024. My flights were all timely and uneventful. Thank you so very much for your prayers for good health and traveling mercies. It is good to be back and to see all my Indonesian co-workers and friends again.

Besides trying to recover from jet lag, one of my recent tasks has been taking inventory and organizing our Vacation Bible School materials from last year to make sure we have enough for two other areas which recently requested them. In another month or so, I plan to begin printing a new series on the life of Jonah.

Douglas & Stephanie

While still in the States, I was able to attend the wedding of my nephew Douglas to Stephanie on May 11. What a blessing to be home for that happy occasion. Then this past Saturday I was privileged to attend the wedding of two of our Bible college graduates. Intan is from the island of Nias in northwestern Indonesia, and Amos is from Timor in eastern Indonesia. The Lord brought them together in Jakarta. For the present time, they are actively serving the Lord at Shalom Baptist Church.

Amos & Intan

Thank you for your faithful prayers, continued support, and for making this furlough very memorable. Please continue to pray for good health and for wisdom as I prepare materials for Sunday School, Vacation Bible School, Bible college classes, and ladies' meetings. May the Lord bless you.
