

The Joshua McClure Family

Dear Praying Church Family,

Happy Independence Day. Thank you so much for all the prayers. We have arrived safely with all our luggage in the good old USA. After about 29 hours of traveling, we landed in DFW on June 11 @ about 9:30pm and were welcomed by our pastor, Amanda's dad, & others from our home church. God kept us safe and we are thankful. Our home church has been showering us with love and encouragement; consequently many tears of comfort and joy have been shed.

Now having been back 3 weeks we are adjusting well, though our immune systems are getting tested and there seems to be a stubborn cough that will not leave us alone. Please pray for our adjusting. Also, our church in Saipan needs a van to use for picking up people so we are praying that the Lord will provide a Ford Transit for us to use on furlough and then take back with us to Saipan when we are done with furlough. We are currently at \$6,050 of the funds needed to purchase one. We have found one in Tennessee selling for \$34,000 which is less than the expected \$40,000. We are praying that we can get the funds by the end of July so we can start traveling to report to churches in August. Please pray and if the Lord leads you to give, every little bit counts. We have no doubt that God will provide and we look forward to seeing how He does.

Since being back, both my wife & I have been able to witness to several people and one lady even came to church with Amanda last week. We are truly blessed to be able to share the Gospel wherever we go. It is the best news a lost person can have explained to them and there are still people searching. May God richly bless you as you share the Light where God has you.

Gratefully Serving ~ Joshua & Amanda & Kids
