JUNE 2025 REPORT

August 25 will be our 57th anniversary as missionaries. Your prayers and finances are producing fruit. God is giving you a rich harvest, Phil. 4:17, even in our latter years, Zech. 10:1.

Michael Price testified, "Early in 2022 the Lord burdened me to go to Honduras with Bro. Gagnon. Air travel and stepping off the plane in another world were first-time experiences.

"I saw a missionary's deep burden for a people so far from his comfort zone and how God then moved national men's hearts with an internal fire to start churches and grow ministries. My eyes have been opened to Gospel's power and the necessity for laborers to reap the harvest."

Michael was saved after the first trip, surrendered to preach after the second and on the third felt a burden for other church members to accompany us on our fourth trip from August 29 to

September 4. He is serving while he waits to begin Bible college on September 7.

During Easter week there were 155 who attended youth camp in La Esperanza, Honduras. Of those who attended, there were 9 saved, plus many de-

cisions made for Christ. Attendance was limited due to the need for 40 mattresses that cost \$22.00 each.

Seminario Bautista Logos' free internet platform will increase to \$7,500.00 a year. Pray a less expensive server will be found. Ten of our own students will graduate on August 23rd. This trimester there are 155 students from nine countries.

Three of my students in Lima, Peru, shared about a serious church problem. Answering their request, based on our past experiences I encouraged them to overcome the evil spirit by pleading the blood of Christ, Rev. 12:11. Pray for Carlos Sevillana, the seminary's director, and the other faithful members as they pray for divine guidance.

A trip to Guatemala in 1997 resulted in Francisco Martínez initiating seminary classes with seven students. Graduate Anibal Mendez began as pastor of Iglesia Bautista La Gracia in 2014. In 2026 Bro. Francisco plans to initiate classes in his home country of El Salvador, plus plant a church in densely populated Santa Ana. Serving in three seminaries continues to produce new churches.
